

# From Discovery to Market: Meet and Greet

October 18, 2021

**Chris Conley**  
Business Consultant  
Executive Recruiter

**Chris** is a startup business consultant and executive recruiter. Chris was a partner at Heritage Partners and the Life Sciences Practice Leader for a national retained executive search firm. Chris specializes in recruiting C-level executives, Boards, promoting women in leadership roles, and building executive teams

**Regina Leung, MBA**  
Co-founder  
Tonic Bioventures

**Regina Leung**, is a co-founder of Tonic Bioventures. Prior to co-founding Tonic Bioventures, Regina was the Founder of MayFlower Health, a consulting firm that supports commercialization strategies including brand, managed markets and market entry for pharmaceutical and medical devices companies.

**Mona Jhaveri, PhD**  
Founder  
Executive Director  
Chairman of the Board  
Music Beats Cancer

**Mona** is the founder, executive director, and chairman of the board at Music Beats Cancer. She launched Music Beats Cancer to address the “Valley of Death,” the growing gap in funding that constrains the translation of cancer research discoveries into clinical applications.
