

# FREE HEAD & NECK CANCER SCREENINGS

## by Temple Health/Fox Chase Cancer Center

**Take a few minutes for your health while you're celebrating community, connection, and Pride.**

Free, quick screenings may help identify signs of head and neck cancer early.

**Screenings can look for changes involving the:**

- Mouth and throat
- Head and neck
- Lymph nodes and other areas

**Everyone is welcome. No judgment. Just care.**

**FIND US AT:** Under the Temple Health Tent

**WHEN:** 12-5

**SCAN THE CODE
