

VIRTUAL CME

21st Annual Highlights of the 2022

FOX CHASE  
CANCER CENTER  
TEMPLE HEALTH

# San Antonio Breast Cancer Symposium

JANUARY 19, 2023

REGISTER TODAY: [FoxChase.org/CME](https://FoxChase.org/CME)

Presented by Fox Chase Cancer Center and the Temple Health Office for Continuing Medical Education, this virtual CME is designed to help medical, radiation, and surgical oncologists, gynecologists, radiologists, and primary care physicians translate the data from key presentations from the 2022 San Antonio Breast Cancer Symposium into practice.

Join speakers from Fox Chase and Penn Medicine's Abramson Cancer Center as they present information on the treatment of breast cancer, including screening, prevention, local control, chemotherapy, hormonal therapy, and advances in breast cancer biologics and their impact on breast cancer management.

## PROGRAM DIRECTOR

**Lori J. Goldstein, MD, FASCO**  
Professor Emerita  
Department of Hematology/Oncology  
Fox Chase Cancer Center

## LEARNING OBJECTIVES

After attending this program, participants should be able to:

- Analyze the advances in the management of breast cancer and premalignant breast disease and, when clinically relevant, integrate new findings into the management of patients with breast cancer and premalignant breast disease.
- When clinically relevant, apply new strategies for optimizing existing treatments into the management of these patients.
- Analyze new developments in breast cancer research and current available clinical trials and, when clinically relevant, include this information in discussions with patients.

## INTENDED AUDIENCE

The program is designed for medical, radiation, and surgical oncologists, gynecologists, radiologists, and primary care physicians. Other physician specialties, nurses, advanced practice clinicians, and healthcare professionals involved in the treatment of patients with breast cancer may find the program beneficial.

## ACCREDITATION STATEMENT

The Temple Health Office for Continuing Medical Education is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians.

## DESIGNATION STATEMENT

The Temple Health Office for Continuing Medical Education designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the educational activity.

## DISCLOSURE POLICY

It is the policy of the Temple Health Office for Continuing Medical Education to ensure that all sponsored continuing medical education activities are independently designed and produced and include content that is valid, objective, balanced, free of commercial bias and in the best interest to the public. Temple Health policy requires everyone in a position to control the content of an educational activity to disclose all relevant financial relationships with any commercial interest pertaining to the content of the activity and to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The Temple Health Office for Continuing Medical Education has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to the activity.

Non-discrimination notice: It is the policy of Fox Chase Cancer Center and Temple University Hospital, Inc., that no one shall be excluded from or denied the benefits of or participation in the delivery of quality medical care on the basis of race, ethnicity, religion, sexual orientation, gender, gender identity/expression, disability, age, ancestry, color, national origin, physical ability, level of education, or source of payment. 11/2022
