

# KEEPING YOU SAFE DURING THE COVID-19 PANDEMIC

- All patients and staff are screened upon entering our center.
- All patients and staff are required to wear a face mask at all times. Masks are available at all screening stations.
- We have proper personal protective equipment for our clinicians and follow the latest safety guidelines.
- Visitors and family members are currently not permitted on campus with exceptions made for extreme cases.
- Our waiting areas are set up to allow for social distancing.
- We are scheduling our appointments in a way that prevents overcrowding.
- We clean our exam rooms between every patient visit.
- We clean our treatment rooms consistently throughout the day and disinfect our treatment tables after every patient.
- We clean all high-touch surfaces several times throughout the day.
- We are now offering telehealth appointments, when appropriate. Your care team will reach out to you if you are eligible.
