If you prefer your healthcare information to be communicated to you in a language other than English, please inform our registration staff and remind your clinical team of your language preference.

All Fox Chase Cancer Center buildings are smoke-free. Please respect our smoke-free policy.

Temple Health refers to the health, education and research activities carried out by the affiliates of Temple University Health System (TUHS) and by the Lewis Katz School of Medicine at Temple University. TUHS neither provides nor controls the provision of health care. All health care is provided by its member organizations or independent health care providers affiliated with TUHS member organizations. Each TUHS member organization is owned and operated pursuant to its governing documents.
We warmly welcome you to Fox Chase Cancer Center. We are pleased to offer our patients a full suite of cancer services, ranging from prevention and screening, to treatment and survivorship.

Richard I. Fisher, MD  President and CEO, Fox Chase Cancer Center

WELCOME

No matter what brings you to Fox Chase, your decision to come here provides you with access to leading physicians, cutting-edge research and clinical trials, state-of-the-art technology, novel treatments and therapies, and a truly excellent support staff. Our entire team is committed to treating you with respect, dignity and compassion.

We are proud to say our hospital consistently ranks among the best for cancer care. We have been recognized by U.S. News & World Report as one of the top cancer centers in the nation. As part of the Temple University Health System, Fox Chase offers a full range of services right on our campus. This guide—specially designed for you, your family and your caregivers—includes important information about our services and answers questions you may have throughout your visit.

Thank you for trusting your care to us.
FOX CHASE CANCER CENTER DESIGNATIONS AND AWARDS

NATIONAL COMPREHENSIVE CANCER NETWORK
Fox Chase Cancer Center is a member of the National Comprehensive Cancer Network (NCCN), a not-for-profit alliance of leading cancer centers. NCCN centers are at the forefront of cancer diagnosis, treatment and supportive care, and lead the way in conducting groundbreaking research.

COMPREHENSIVE CANCER CENTER
Fox Chase Cancer Center holds the highest designation from the National Cancer Institute (NCI) as a Comprehensive Cancer Center. These elite centers are recognized for excellence in cancer treatment, research, prevention and education.

PRIZES AND PRESTIGE
Fox Chase physicians have won numerous awards—including two Nobel Prizes, a Kyoto Prize and a Lasker Prize.

TOP HOSPITAL
Fox Chase ranks among the nation’s top hospitals for cancer care, according to U.S. News & World Report.

TOP DOCTORS
Our physicians are consistently named among the best in their specialties in Philadelphia magazine’s annual Top Doctors list.

CLINICAL TRIALS AND RESEARCH EXCELLENCE
Our physicians and researchers frequently set new guidelines for breakthrough medicine and comprehensive care. We are a powerhouse for innovative research, with hundreds of clinical trials and basic research studies occurring at any one time.

NURSING EXCELLENCE
Fox Chase is the first hospital in Pennsylvania and first acute specialty hospital in the U.S. to earn Magnet designation for excellence in nursing services through the American Nurses Credentialing Center’s (ANCC) Magnet Recognition Program. We have continuously held this designation since 2000.
GETTING HERE

LOCATIONS

Fox Chase Cancer Center includes the main hospital in Philadelphia as well as other locations within Philadelphia, Bucks and Montgomery Counties.
DIRECTIONS AND TRANSPORTATION

Public transportation and driving directions to Fox Chase Cancer Center and our satellite locations can be found at FoxChase.org/locations.

PARKING AND DROP-OFF

Parking is free on our main campus. You may park in the West Garage or the East Garage. In the West Garage, Levels 1 and 2 have entrances to the West Building. In the East Garage on parking Level A, an indoor walkway leads to the Young Pavilion. Patient drop-off areas are located on Level 2 of the West Garage and the circle in front of the West Building.

Wheelchairs can be found at most entrances. Patients who need oxygen can borrow tanks during their visit. Stop at the Patient Support Services desk on Level 1 of the West Building for help with wheelchairs or oxygen tanks.

A detailed campus map, regional map and travel instructions may be found in the back pocket of this guide.
HOTELS AND LODGING

The Philadelphia area offers many places to stay for patients and their families. For help in finding a place near the hospital, please call our patient coordinator for housing and transportation at 215-728-3628 or visit FoxChase.org/locations.

HOTELS

Many local hotels offer special rates to Fox Chase patients and their families. When making a reservation, be sure to mention you are a patient or family member. A list of hotels can be found at FoxChase.org/locations.

ASTRAZENECA HOPE LODGE

The AstraZeneca Hope Lodge of the American Cancer Society offers lodging at no cost to Fox Chase patients and one guest. Hope Lodge is a quiet, short-term home located near Fox Chase. To stay, patients must have a cancer diagnosis, live at least 40 miles away from the hospital and be referred by the Philadelphia area doctor/hospital where they are receiving care.

COVENTRY HOUSE APARTMENTS

Within walking distance of Fox Chase, Coventry House offers one-bedroom apartments for patients and families planning a long-term stay. Apartments are offered for a minimum of two nights. Patients must be able to care for themselves without help.

HOSTS FOR HOSPITALS

This nonprofit program offers free or low-cost lodging at private volunteer host homes for out-of-town patients and their families. Guests must provide their own meals and transportation.
YOUR FIRST VISIT

On your first visit, plan to be at Fox Chase for two to four hours. At this time, you will meet with your care team. The team will review your health records and provide a plan of care that’s right for you. Team members will also answer all of your questions about your diagnosis and treatment options.

We suggest you bring a family member or friend with you to this visit. It is helpful for another person to hear your doctor’s plan for treatment and offer you support. Your support person can also help make sure your questions get fully answered.

REGISTRATION

When you arrive at the Fox Chase main campus, please go to New Patient Registration in the West Building. Plan on arriving 45 minutes prior to your first scheduled visit so that we can complete your registration intake process.

If you are getting radiation treatment, please go directly to the Department of Radiation Oncology on the lower level of the Young Pavilion.

If you need to go to our Huntingdon Pike or Buckingham locations, you will be told how to get there when you make your appointment.

For help finding your way during your visit, please visit the Patient Support Services desk on Level 1 of the West Building.

MYFOXCHASE

Patients may register for a MyFoxChase online account. MyFoxChase is an easy-to-use website that lets you:

- Check your health record and appointments
- Send secure messages to your healthcare team
- View and print your schedule and appointments using a monthly calendar view
- See your lab results when they become available, with the option to let your referring physician see them as well

All you need to safely and securely enroll in MyFoxChase is the Internet and an activation code, which can be obtained after your first visit to Fox Chase on your After Visit Summary. Go to FoxChase.org/activate to activate your code and begin to use your myFoxChase account today.

CANCELING OR RESCHEDULING YOUR APPOINTMENT

If you have questions before your first appointment, or if you need to change your pre-registration information, please call 215-728-2570.

If you need to change your new patient appointment, please contact us as soon as possible, at least 24 hours beforehand, at 215-728-2570.
AUTOMATED APPOINTMENT REMINDER SERVICE

A few days before your scheduled visit, our automated phone system will call to remind you of the date, time and location of your appointment at Fox Chase. In the event your appointment must be canceled or rescheduled, we will mail you a letter or call you directly with new appointment information.

WHAT TO BRING TO YOUR FIRST APPOINTMENT

- All health insurance cards, including separate prescription cards, and a referral form (if your insurer needs a written referral).
- State- or government-issued picture ID, such as a driver’s license or passport.
- Depending on your type of insurance, you may be asked to make a co-payment at this time. If you are not sure if this will be required, call your insurance company’s member services department or contact your nurse navigator.
- Your health history, including a list of your doctors, allergies, and any prescription and over-the-counter medications you take (including dosages and how often you take them).
- A copy of your advance directive, if you have one. An advance directive may be created regardless of your life stage or physical health. This legal document, also known as a living will, tells your provider what healthcare you would like provided or withheld in case you are not able to provide directions as a result of your health status. You should bring a copy of any power of attorney you may have as well as this legal document authorizing another person to make healthcare decisions for you.
- Questions for your doctor.

Before your first visit, if applicable, your nurse navigator may have already worked with you to collect:

- A copy of your health records
- Lab slides and reports
- X-ray CDs and reports
Fox Chase offers language services to patients who prefer to receive their healthcare information in a language other than English. These services are provided at no cost and include:

- Clinicians and staff who speak many languages and are credentialed to communicate with patients
- Face-to-face professional medical interpreters, including American Sign Language interpreters
- Video remote interpreters, especially for American Sign Language
- Special telephones to connect you with a professional medical interpreter. These telephone units are available throughout all areas of our facility, including our satellite offices.
- Translated vital documents

If you would like your healthcare information to be communicated to you in a language other than English, please inform our registration staff and remind your clinical team of your language preference.
YOUR CARE TEAM

In treating cancer, we take a team approach to your care. Our surgeons, medical oncologists, radiation oncologists, pathologists, radiologists and nurses work closely to diagnose your cancer. Along with your doctor, our pathologists and radiologists define the type, stage (extent) and other traits of your cancer.

Based on the results, your doctor will talk to you about treatment options and help you choose the best one for you. Depending on your needs, this may be a clinical trial offering a new drug or treatment for your cancer.

Our researchers and doctors work together to bring new discoveries right to patient care. Often, the latest cancer treatments are offered at Fox Chase first, before they are offered in the community.

CLINICIANS

On your first visit to Fox Chase, you may meet with many clinicians.

- **Attending physicians** are the main doctors planning your care.
- **Fellows** are doctors who have finished training in surgery or internal medicine and have had additional training in cancer.
- **Residents** are doctors who are finishing training in internal medicine, surgery or radiation.
- **Hospitalists** are doctors whose focus is the general medical care of hospitalized patients.
- **Advanced practice clinicians** (APCs) have an advanced degree and work closely with your doctor. They include physician assistants and nurse practitioners.
- **Genetic counselors** are licensed professionals who can help you decide if genetic testing for cancer risk is right for you or your family.

NURSES

Fox Chase nurses meet the highest standards of care. During your stay, you may meet many nurses who tend to your special needs.

- **Nurse navigators** are oncology nurses who help to coordinate your care and answer any questions you may have.
- **Ambulatory care nurses** work closely with your doctor and provide nursing care during and between your doctor visits.
- **Inpatient nurses** provide nursing care during your hospital stay.
- **Clinical nurse specialists** provide skilled nursing services and act as a resource to help other nurses solve complex problems.
- **Clinic assistants** work closely with registered nurses to care for you during your visit.
AFTER YOUR VISIT

To decide the best care for you, your doctor may suggest other tests or procedures. He/she may also send you to other clinicians at Fox Chase. A member of your care team will talk to you about follow-up care and help you plan any future visits.

CONTACTING YOUR CARE TEAM

If you have medical questions while you are at home, please call 215-728-4300 during weekdays (Monday–Friday, 8:30am–5pm). You may talk to someone live, or your call will go to voice mail. Please leave a message with your name, medical record number, date of birth and the reason for your call. A nurse will call you back on the same day. Be sure to tell us the best phone number to reach you.

For an urgent problem after work hours or on a Saturday, Sunday or holiday, please call 215-728-6900. The operator will connect your call.

SCHEDULING

If you have already had your first appointment and need to cancel or reschedule a follow-up appointment, please contact us as soon as possible, at least 24 hours in advance, at 215-728-2600.

EMERGENCY CARE

DIRECT REFERRAL UNIT (DRU)

Fox Chase Cancer Center does not have an Emergency Room (ER). If you have a true emergency, please call 911. The DRU is for urgent needs and is where we take care of medical problems you might have in between your doctor visits or treatments. If you have a need to be seen by your physician in between your scheduled visits, please follow the directions below:

• **Monday–Friday, 8:30am–5pm | 215-728-4300**  
  **Saturday, 9am–5pm | 215-728-6900**  
  Call the number your doctor or nurse gives you or one of the numbers above. He/she may send you to be seen in their clinic, the DRU at Fox Chase Cancer Center, your local ER, or Jeanes Hospital (which is next door to Fox Chase). Please follow directions of where staff tell you to go for your urgent care. This will allow us to make sure you receive the treatment you need.

• **After Hours Hotline for Urgent Medical Issues**  
  Call 215-728-6900 to speak with the Fox Chase doctor on call. He/she may send you to your local ER or Jeanes Hospital, which is next door to Fox Chase.
CLINICAL TRIALS

Clinical trials are research studies that help find new and better ways to prevent, screen for, diagnose and treat cancer. For some patients, a clinical trial may be the best option for treatment. Fox Chase researchers conduct hundreds of clinical trials at any given time to test new treatments for both common and rare cancers. Our patients have access to treatment options that may not be available elsewhere. Your doctor can help you determine if a clinical trial is right for you. To learn more, please call 888-FOX CHASE (888-369-2427) or visit FoxChase.org/clinicaltrials.

PREVENTION SCREENING

Cancer prevention and early detection begin with knowing your cancer risk and then doing something about it. Regular screening may help prevent cancer altogether or find it at an early stage, when the chance of cure is highest. Fox Chase offers a full range of traditional and advanced screening options, including screening for colon (colonoscopy), lung (low-dose chest CT scan), breast (mammography), prostate, skin, esophagus (endoscopy), liver, pancreatic, thyroid and cervical cancers. To schedule a screening test, please call 888-FOX CHASE (888-369-2427) or visit FoxChase.org/screening.
PATIENT SUPPORT SERVICES

Fox Chase offers a wide range of support services to address all of your needs—physical, spiritual and emotional. For information, please visit FoxChase.org/services.

BOO’S BOUTIQUE

215-728-2627

This specialty shop helps patients during their cancer journey by offering breast prosthetics, bra fittings, wigs, clothing, skincare products and more.

Hours: Monday–Thursday, 9:30am–4pm
1st floor of Young Pavilion

CARE CONNECT

215-728-3536 | Find a physician: FoxChase.org/careconnect

Care Connect is a program linking Fox Chase and community physicians. Primary care/internal medicine doctors throughout the region are working with Fox Chase in programs that focus on cancer prevention education, screening, treatment and survivorship care. The result is a seamless continuum of care for patients.

CAREGIVER RESOURCE GUIDE

A caregiver is someone who supports a patient during treatment, such as a spouse, partner, parent, sibling, son, daughter or friend. Our Caregiver Resource Guide provides useful information to help support caregivers in their important role and is available at FoxChase.org/caregiver.
CARINGBRIDGE
FoxChase.org/communications/social
This free web service allows patients and their families to create a private web page to stay in touch with loved ones and provide personal updates during and after treatment.

INTEGRATIVE CARE FOR THE MIND, BODY AND SPIRIT
215-214-3940
Integrative care treats the whole person and explores a mind/body/spirit approach to healing.

- **Yoga | 215-214-3637**
  Our gentle yoga classes focus on breathing, relaxation and meditation for patients and caregivers.

- **Music Therapy | 215-214-3940**
  Music therapy can uplift the spirit and bring the mind, body and soul into harmony.

- **Pet Visitation Program | 215-728-2804**
  To provide comfort, volunteers with pets visit patients throughout the Fox Chase facility. Inpatients may request a pet visit through their nurse or by calling the volunteer department. Pet visits must be approved by a nurse.

- **Reiki | 215-728-2411**
  This form of energy healing relies on a gentle touch and simple transfer of energy to promote healing of the mind, body and spirit. Reiki is free for patients and caregivers.

NUTRITION COUNSELING
215-728-2600
Fox Chase clinical dietitians provide nutrition counseling to patients who may need alternative nutrition support; who may have difficulty maintaining weight during treatment; or who are dealing with challenging adverse side effects from treatment. Our team of experienced registered and licensed dietitians can also provide extensive education and nutrition information.

PAIN AND PALLIATIVE CARE PROGRAM
215-728-3544
The Pain and Palliative Care Program aims to support the best possible quality of life for patients and their families. Palliative care is a fundamental component of cancer care and can be integrated with cancer-directed care at any stage of disease or one’s age. Our team includes pain and palliative care—certified doctors, nurse practitioners, social workers and specially trained nurses.

PASTORAL CARE
215-728-2944
The main goal of Pastoral Care Services is to offer a compassionate presence, provide spiritual and emotional support, and encourage hope. Oncology chaplains are available to visit patients in the hospital on a regular basis and upon request.
PHYSICAL MEDICINE AND REHABILITATION
215-728-2592
Our cancer rehabilitation specialists help patients prevent loss of mobility through early intervention programs and maximize recovery of physical functions to improve quality of life and return to everyday activities. We offer various services for patients dealing with the effects of cancer treatment—such as physical and occupational therapy, a lymphedema treatment program recognized by the National Lymphedema Network, and a program to help manage cancer-related fatigue (CRF). Our team is certified through the STAR (Survivorship Training And Rehab) program.

RESOURCE AND EDUCATION CENTER (REC)
For patient information: 215-214-1618 | FoxChase.org/rec | recstaff@fccc.edu
The REC is a free patient and family learning center. Our health educators can talk with you one-on-one, answer your cancer questions, share resources and refer you to other Fox Chase departments and programs, or to local and national organizations.

Computers with Internet access are available to patients and visitors for personal use throughout their visit to Fox Chase. These computers include a list of cancer-related websites that have been reviewed by our REC staff. For the full list of websites, please visit FoxChase.org/rec.

We offer three convenient locations within the hospital:

- Young Pavilion Lobby
- Clinical Research Unit Waiting Area
- Women’s Cancer Center Lobby (This location offers printed materials only.)

Hours: Monday–Friday, 8am–4pm

RESPIRATORY CARE
215-728-3515
The Respiratory Care Department comprises Pennsylvania State Board of Medicine—licensed professionals who provide quality care using some of the latest techniques and technology. Our therapists work with pulmonary physicians to assist with complex bronchoscopy and perform pulmonary function testing. They play a key role in airway management, critical care, preventative therapy and patient education.

RISK ASSESSMENT PROGRAM/GENETIC TESTING
877-627-9684 | FoxChase.org/rap
Fox Chase offers a Risk Assessment Program for persons and families at risk for cancer and those with cancer—including cancers of the breast, ovaries, prostate, skin and colon. Our team of physicians, nurses and genetic counselors provides clinical and genetic evaluation and testing, screening and cancer risk-reduction services.
SOCIAL WORK SERVICES
215-728-2668
Our social workers have a Master of Social Work degree and specialized training in cancer care. They can help you deal with your feelings/concerns during all phases of cancer treatment and survivorship. They can also help you understand your diagnosis and treatment and talk with your care team about important decisions.

SPEECH PATHOLOGY DEPARTMENT
215-728-2592
Cancer treatment can impact voice, speech, cognition and swallowing functions, which are key to communication and interaction. The Speech Pathology Department offers diagnostic and therapeutic treatments for these conditions. Early diagnosis and treatment can improve quality of life and help you return to work and everyday activities. Talk with your doctor if you notice changes to your communication or swallowing abilities. A prescription is required for these services.

STRESS MANAGEMENT PROGRAM
215-214-3940
Learning you have cancer can be emotionally overwhelming. Our team develops programs to help you and your loved ones cope with the challenges and demands of a cancer diagnosis.
SUPPORT GROUPS
215-728-2668
Our social workers can connect you with Fox Chase Cancer Center support groups, as well as other places that offer groups to meet your special needs.

TOBACCO TREATMENT PROGRAM
This program offers help to persons who currently use tobacco products or have in the past year. Individuals meet with a nurse who is trained in tobacco treatment to talk about their tobacco use and set up a treatment plan for how to quit. We offer individual and group therapy.

VOLUNTEER SERVICES
215-728-2804 | FoxChase.org/community/volunteering | volunteerservices@fccc.edu
Our volunteers provide a range of services to patients, families and staff in a variety of settings, including the hospital, offices and research. Please contact us to learn about becoming a volunteer or visit the volunteering website.

WOMEN’S MENOPAUSAL AND SEXUAL HEALTH PROGRAM
888-FOX CHASE (888-369-2427)
Our team is dedicated to supporting women as they adjust to changes during and after cancer treatment. This program provides education, strategies and counseling to female patients dealing with menopausal changes, sexual/intimacy issues and fertility concerns. We also offer survivorship gynecologic services.
GUEST SERVICES FOR PATIENTS AND VISITORS

CELL PHONES
Cell phones and communication devices may be used in compliance with the Fox Chase policy on audio and video recording. However, Fox Chase is not responsible for lost or damaged cell phones or other electronic devices.

DINING
• Cafeteria
  Hours: Monday–Friday, 7am–2pm | 2nd floor of the Center Building
• Coffee Cart
  Hours: Monday–Friday, 7am–2pm | West Building lobby
• Terrace Café
  Hours: Monday–Friday, 7am–6:30pm; Saturday, 9am–4:30pm; Sunday, 11am–3pm
  1st floor of the West Building near the West Garage entrance
• Vending Machines
  Cafeteria, 3rd floor, Infusion Waiting Area (near front entrance) and Radiation Oncology
• Snack Shop at Jeanes Hospital
  Hours: Open every day, 7am–7:30pm | Jeanes Hospital Main Lobby

KAREN’S KORNER GIFT SHOP
215-214-1617
Karen’s Korner sells women’s head scarves, gifts, cards, stamps, candy, Fox Chase-branded merchandise and other items. Money earned from sales goes to patient care at Fox Chase through the Friends of the Hospital of Fox Chase Cancer Center.
Hours: Monday–Friday, 9:30am–5:30pm | 1st floor of Young Pavilion

MONEY MACHINE/ATM
An ATM is located on the first floor of the Young Pavilion behind the gift shop.

NEWSPAPERS
Newspapers are available at the Patient Support Services desk in the West Building and in outpatient waiting areas. Inpatients receive complimentary papers.

SECURITY
We are constantly working to keep a safe environment. Our policies are for your safety. Officers are on duty around the clock for your protection.

WIRELESS ACCESS
Free Wi-Fi is available throughout the Fox Chase Cancer Center campus. Choose FCCguest in your device’s list of available wireless connections.
FINANCIAL QUESTIONS AND ISSUES

BILLING PROCESS/FINANCIAL RESPONSIBILITY

888-378-0357

Fox Chase will send two bills to your insurance company—one for the doctor’s services (Fox Chase Cancer Center Medical Group) and one for the hospital-based facility services (American Oncologic Hospital/Fox Chase Cancer Center). Once your insurance pays, you may get two bills from us. These bills represent your out-of-pocket expenses, such as co-pays, co-insurance and deductibles. For some services, a co-pay may be required at the time of service. Fox Chase accepts Visa, MasterCard, Discover and American Express credit cards.

FINANCIAL ASSISTANCE PROGRAMS

Financial Counseling Department: 215-728-2678 or 215-728-3162

Fox Chase provides free or reduced-priced care to persons who qualify, as well as assistance in applying for and obtaining government-funded insurance programs and ACA Marketplace plans. If you are uninsured and/or cannot afford the cost of your care, you are encouraged to contact one of our financial counselors who will be happy to supply you with information, applications and assistance.

GRANTS AND OTHER PROGRAMS

Social Work Services Department: 215-728-2668

Grants and other programs may be available if you are having a hard time paying for your mortgage, rent, utilities or living expenses.
INSURANCE
Fox Chase Cancer Center accepts many health insurance plans. Please visit FoxChase.org/patients/insurance-financial to make sure that we accept your plan. You should also contact your insurance company to go over your benefits and patient liability. Patient liability is what you might have to pay out-of-pocket and includes deductibles, co-payments, co-insurance and any care and services not covered by your health plan.

MEDICAL FORMS
For help with filling out medical leave forms (disability, family medical leave, etc.) please talk to your Fox Chase doctor.

POLICIES AND PROCEDURES

CODE OF CONDUCT
Fox Chase has a policy that defines the code of conduct for patients, families, visitors, and caregivers to ensure a safe and respectful environment for all. Failing to comply with these expectations, or exhibiting disrupting or threatening behavior, will result in consequences that may include being asked to leave the premises.

COMPLIANCE/HIPAA PRIVACY HOTLINE
TUHS Hotline: 800-910-6721
Fox Chase provides a confidential hotline for patients and staff to put you directly in touch with our Office of Compliance and Privacy through Temple University Health System (TUHS). You may choose to leave your message anonymously, but please give enough detail so we may address your concern.

HOW TO REQUEST A COPY OF YOUR MEDICAL RECORDS
Medical Records Department: 215-728-2640 | Film Library: 215-728-3879
Requests for medical records must be made in writing. For copies of your radiology X-rays or diagnostic imaging studies on CDs, contact the Film Library. To complete your request, we may charge a fee for costs of copying, mailing or other supplies.

NON-DISCRIMINATION POLICY
Fox Chase does not discriminate on the basis of race, color, religion, sex, age, national origin, disability, sexual orientation, marital status, veteran status or any other manner prohibited by law. This policy extends to all services, programs and employment.

PATIENT RIGHTS AND RESPONSIBILITIES
As a patient of Fox Chase, or as a family member or guardian of a patient at this hospital, we want to inform you of your rights under federal and Pennsylvania state law. We are committed to honoring your rights. You and your family also have certain responsibilities to help us provide the best possible care. A copy of complete patient rights and responsibilities is available upon request.
PATIENT SURVEYS
During your care, you may receive up to two patient satisfaction surveys sent to you by mail or email from Press Ganey. We value your feedback and ask that you fill out and return these to us at your earliest convenience.

POLICY ON AUDIO AND VIDEO RECORDING
It is a violation of Fox Chase policy as well as state and federal privacy and confidentiality laws to use any device—cell phones, cameras or any other electronic device—to audio or video record patients, visitors or staff. This includes conversations or phone calls of patients or staff, which are not to be recorded without the consent of all parties.

POLICIES RELATING TO HIPAA, PATIENT PRIVACY AND INFORMATION SECURITY
We take the privacy and security of our patients and their protected health information seriously. Fox Chase is subject to regulation under the federal Health Insurance Portability and Accountability Act (HIPAA), which, among other things, protects the privacy and confidentiality of patient information. Our goal is to ensure that patient privacy and confidentiality is a top priority, and all employees are aware of their role in regard to the proper handling of protected health information.
