Now accepting applications for the
Summer Cancer Research Institute at Temple University & Fox Chase Cancer Center, Philadelphia

The SCRI program is an 8-week intensive summer program supported by the National Cancer Institute U54 grants (CA221704 and CA221705; Contact PIs: Drs. Ma and Ogunwobi) to Temple University/Fox Chase Cancer Center and Hunter College. Undergraduate and Graduate students interested in pursuing biomedical, clinical & population-based cancer research are welcome to apply. We encourage applications from students of all backgrounds, particularly those from underrepresented minority groups or disadvantaged backgrounds.

Participants will benefit from:

- Hands-on research training
- Mentorship from established investigators
- Participation in cancer seminars and skill-building workshops
- Housing, travel and an individual stipend of $3,000

Duration: June 7th - July 30th
Students must be currently enrolled at either Temple University or Hunter College

APPLICATION DEADLINE: JAN. 15th, 2021

Applications can be completed at:
Note: a Google account is necessary to access the application
